

# HENNEPIN COUNTY

## MINNESOTA

### Nicollet Avenue (CSAH 52) and City of Richfield's 65<sup>th</sup> Street Projects

#### Project Location:

Hennepin County is proposing improvements on Nicollet Avenue in the City of Richfield from 68<sup>th</sup> Street to 61<sup>st</sup> Street. The City of Richfield is planning to reconstruct 65<sup>th</sup> Street, west of Nicollet Avenue.

#### Project Overview:

The City of Richfield is planning to reconstruct 65<sup>th</sup> Street in 2020 and is evaluating construction of a roundabout at the intersection of 65<sup>th</sup> Street and Nicollet Avenue (CSAH 52). The city is leading this project.

Hennepin County is proposing several 2020 improvements for Nicollet Avenue that include:

- Restripe from 68<sup>th</sup> Street to 66<sup>th</sup> Street to a 3 lane section
- Add NB and SB ADA compliant bike ramps from Nicollet to bike path at 66<sup>th</sup> roundabout
- 2" mill and overlay from 66<sup>th</sup> Street to 61<sup>st</sup> Street (2.71 lane miles) improving striping to incorporate bike lanes
- Concrete curb replacement (approximately 1,000 LF) between 66<sup>th</sup> Street and 65<sup>th</sup> Street
- ADA improvements and concrete median refuge at 63<sup>rd</sup> Street

#### Next Steps:

- Identify options for delivering the Hennepin County improvements (HC stand-alone project, tied project with the city project, HC work included by agreement in city project).
- Meet with the City of Richfield to discuss project coordination.
